FROM THE HELM!

See you at the Ball!

Commodore Jean Pritchard

FROM THE VICE!

The **Commodore's Ball** is soon to be – Saturday, January 11 - and final count was needed by January 3rd. If you have not saved your spot yet, please call me at (734) 420-5391. Hope to see you there. We have a fun night planned and hope to show Jean how much we appreciated her work for the club these past few years.

Our annual Super Bowl Party is planned for Sunday, January 26, 4 pm at Kean's. Please bring a dish to pass and lots of money for those squares.

I hope the New Year will bring happiness and good cheer for you and your families plus good health and a better economy for everyone!

Vice Commodore Lynn

FROM THE REAR!

I trust everyone had a Happy and Merry Christmas. We did at our house!

The New Year looks promising and we are going to make it better. I hope you will all join Barb and me in dedicating 2003 to the memory of a long time member and Past Commodore, Bill Nesbitt.

He will be missed, but his antics and stories will not be forgotten.

RVYC has been blessed with many outstanding members and we should consider a memorial plaque in their honor. I will do some research on the subject and report back later.

I have some words to add to your vocabulary. Most refer to the workplace.

SEAGULL MANAGER - A manager who flies in, makes a lot of noise, craps on everything, and then leaves.

CUBE FARM - An office filled with cubicles.

PRAIRIE DOGGING - When someone yells or drops something loudly in a cube farm, and people's heads pop up over the walls to see what's going on.

PERCUSSIVE MAINTENANCE - The fine art of whacking the crap out of an electronic device to get it to work.

WOOFYS - Well off older folks. (Does not apply to Ray and Barb who may be older, but not well off.)

Happy New Year from the soon to be Vice Commodore.

**Rear Commodore
Ray**

HOW CAN YOU LIVE WITHOUT KNOWING THESE THINGS?

It is impossible to lick your elbow.

If a statue in the park of a person on a horse has both front legs in the air, the person died in battle.
If the horse has one front leg in the air, the person died as a result of wounds received in battle.
If the horse has all four legs on the ground, the person died of natural causes.

Conception occurs more often in December than any other month.

Every day more money is printed for Monopoly than for the US Treasury.

Each king in a deck of playing cards represents a great king from history:

Spades- King David Hearts- Charlemagne Clubs- Alexander the Great Diamonds- Julius Caesar

At least 75% of people who read this will try to lick their elbow.

THANK YOU, JUDY THUL, FOR THIS INFORMATION!
